

Conflicts are often hard to resolve and can be even more challenging in the church. Scripture tells us that this has always been true. Today, conflicts are often subject to immediate publicity and the process of healing may be harder than ever. But today's readings confirm that the ultimate root of reconciliation is always the same. If we love and respect one another, the steps to healing are made possible...even easier.

"If your brother sins against you, go and tell him his fault between you and him alone. If he listens to you, you have won over your brother."

—Matthew 18:15
